Dear Waller ISD Parents,

Waller ISD Food Services has implemented a new on-line meal account retrieval and meal payment system to better serve you. This service provides access, via the Internet, to view your child's meal account balance as well as viewing a 30-day history of their meal purchases and account activity. The site also allows the option to prepay on-line. It should be noted the meal account balance and meal purchase history information is delayed by one day. As an example, if you log on the Internet and check your child's meal balance on Tuesday, October 2, 2007 at 11:00 a.m. the data you would be viewing would be for Monday, October 1, 2007.

To use this service, you must have your child's Student ID number. If your child cannot provide you with this number, please call the Food Service Office for assistance, (936) 931-2347. The Student ID number can also be found on your child's report card. The Student ID is needed each time the account is accessed.

**Logging On:**

Go directly to the webpage: [www.mymealmoney.com/waller.aspx](http://www.mymealmoney.com/waller.aspx)

Or

Go to the district website: [www.wallerisd.net](http://www.wallerisd.net)

Click on Parent/Student Information

Click on Lunch Information

Click on Student Lunch Account/Pay Online

Follow the directions given on the web page by entering the child's last name and ID number leading with zeros. An example is provided for your guidance. Press the green Go! button. Your child's Name, Account Number, Grade, Homeroom and Account Balance should appear. To view the account activity, select "History". If you wish to make an on-line payment, select "Pre-Pay". Then select Meal Payments from the left margin. Find your child's campus and proceed with the website's direction.

We certainly hope you find this new on-line meal account retrieval and on-line payment service helpful.

Thank you,

Whitney Johnson  
Food Service Director
