

SOCIAL MEDIA POLICY

Waller ISD Social Media Pages, Terms of Use: All official Waller ISD social media pages are provided for the district community by the Waller ISD communications department. We will update pages as often as possible to share video stories about student engagement in the classroom and information about upcoming events, student and staff achievements and special notices.

All posting of comments on our pages are at the discretion of the page administrators. The intent of this policy is not to keep any negative or critical information from being posted, but to protect the privacy and rights of Waller ISD students and staff. Because Waller ISD cannot verify the content on external websites (outside of the wallerisd.net domain), comments containing links to external websites are not permitted. The page administrators will review comments to make sure they adhere to our terms of use and the Waller ISD Acceptable Use Policy (Student Handbooks; Staff / Employee Handbook) regarding Internet access and practices.

Comments will be removed that:

- Contain links to external websites (websites not on the wallerisd.net domain)
- Break the law or encourage others to do so.
- Contain abusive or inappropriate language or statements.
- Identify students and/or staff in defamatory, abusive or negative terms.
- Do not show proper consideration for others' privacy or are considered likely to offend or provoke others into inflammatory debates.
- Are spam – i.e. repeatedly posting the same comment.

If you would like to report an inappropriate comment for us to review or if you have any questions, send an email to communications@wallerisd.net.

Thank you for staying connected with Waller ISD on our social media platforms.
